

Course Description

MGT-346 EOC Operations and Planning for All-Hazards Events

Description

This course provides personnel, who could be assigned or work in an Emergency Operations Center (EOC), the skills necessary to effectively plan for and manage a large-scale incident by applying and implementing an all-hazards, multi-disciplinary, management team approach as described in the National Incident Management System (NIMS), with specific emphasis on the planning, resource, and information management processes. The course culminates with a scenario-based, simulation-supported exercise designed to provide practical experience with emergency management processes and decision-making skills necessary to effectively manage an EOC. The Emergency Operations Center (EOC) Operations and Planning for All-Hazards Events course is 24 hours long, with decision-based activities and exercises comprising 50 percent of the course.

Course Objectives

- Identify how entities within the Multi-Agency Coordination System (MACS) are interconnected during a response.
- Describe the functions of and within an Emergency Operations Center (EOC).
- Perform the management and operations functions of the Multi-Agency Coordination System (MACS), utilized by the Emergency Operations Center (EOC).
- Perform the information management functions of the Multi-Agency Coordination Systems (MACS), as utilized by the Emergency Operations Center (EOC).
- Perform the resource management functions utilized by the Emergency Operations Center (EOC).
- Perform the planning functions utilized by the Emergency Operations Center (EOC).
- Demonstrate knowledge of the Emergency Operations Center (EOC) Operations and Planning for All-Hazards Events course content.
- Operate within an EOC utilizing the functions within the Multi-Agency Coordination System (MACS) while supporting a response to a large-scale incident.
- Examine how critical areas of managing an all-hazard, high consequence incident response are applied in practice.

Highly Recommended Prerequisites

- IS-100, IS-200, IS-700, IS-800 and IS-200
